Annual	2025-2026 Annual Competitions	16 th March 2026	20 th April and 27 th April 2026

Definitions of Set Subjects

SQUARE FORMAT: typically refers to using a square aspect ratio (1:1) intentionally as a creative constraint or theme. This can be achieved in camera, or by cropping during post processing. So, you are being asked to explore how composition, balance, or storytelling changes when restricted to a square. The square naturally invites symmetry, central framing, and geometric precision and works well for portraits, minimalism, or patterns. Rule of thirds still applies but feels different, centred subjects often look stronger in square, and negative space becomes more powerful. Explore how the square changes emotional or narrative impact. How does it shift the viewer's attention compared to landscape or portrait orientation?

AUTOMOTIVE: A follow- on from Amy Shore's Presentation in October. A chance to explore and creatively interpret vehicles and the world around them as your primary theme. This can go far beyond simply photographing a car — it's an invitation to tell stories, explore design, motion, culture, and even emotion through the lens of automotive imagery.

IN THE KITCHEN: Typically, a scene encompassing components or activities that you would find in the kitchen. This could be food still life, equipment and utensils or an activity such as stirring a pot.

For all Competitions, please upload images by the submission date shown above via Pixoroo link below: -
