Definitions of Set Subjects

“RULE OF THIRDS” – A follow on from Ian Howard’s talk where an image is divided into nine equal sections, and key elements are positioned along the grid lines or their intersections to create balance and visual interest. Think about the classic sand, sea, sky horizontals or the lone tree sitting off centre in the frame.

“UP CLOSE” – A follow on from the Club’s very successful Macro evening where various techniques were demonstrated and tried. This subject can also be about intimacy, detail, and revealing what we usually overlook. It challenges you to move physically closer — or zoom in visually — to transform ordinary subjects into something striking and unexpected.

“MARKETS” – A rich and dynamic photography subject because they combine people, colour, culture, and movement in one place. There are many Market Towns in the Cotswolds to choose from or go further afield with the famous Christmas Markets across the UK and Europe They all offer endless opportunities to capture everyday life and storytelling through images.

For all Competitions, please upload images by the submission date shown above via Pixoroo link below: -
