Definitions of Set Subjects

JOURNEY: A journey photograph is an image captured during the course of a journey or expedition, typically depicting scenes, landscapes, people, or moments encountered along the way. These photographs often aim to convey the essence of the journey, capturing the spirit of exploration, discovery, and adventure.

UK Flora, Fauna, Fungi: A flora, fauna, fungi photograph is an image that showcases plant life (flora), animal life (fauna), or fungi found in a particular ecosystem or habitat. These photographs aim to highlight the diversity, beauty, and intricacies of the natural world. They can range from close-up shots of individual species to wide-angle landscapes that capture entire ecosystems.

Golden/Blue Hour. During the golden hour, the sun is low in the sky, casting long shadows and creating a warm, diffused light that can enhance the colours and textures in a scene, often producing a soft, flattering glow. In contrast, the blue hour occurs just before sunrise or after sunset when the sky takes on a deep blue hue, creating a serene and tranquil atmosphere.

Still Life : A still life photograph is an image that portrays inanimate objects, typically arranged by the photographer to create a visually compelling composition. It can range from simple, minimalist compositions to more elaborate and stylized scenes, depending on the creative vision of the photographer.

Closed: A photograph with the title "closed" could depict a variety of subjects or scenes, but the title suggests a theme of closure, restriction, or inaccessibility.
