

Summer Cup & Ted Parrot Trophy 2024

It was great to see so many members on Monday night keen to take part in the judging of the first two trophy competitions of the new season.

The Summer Cup entries displayed a wide interpretation of what can be considered either SMALL or LARGE but only four brave members were prepared to tackle MEDIUM!

10 finalists were selected from the 23 entries and the result was a win for Dave Cahill with “Striding Through Kings Cross”.

Second was “Catching Lunch”, taken by Paul Norris with yet another Dave Cahill entry “Coming into Land” finishing Third.

It was pleasing to see images of local traditional “Sports” like Cheese Rolling and the Tetbury Woolsack Races appearing as entries for the Ted Parrot trophy, however the Club members voting leaned towards the popular end with Rowing, Tennis and Cricket competing for the prize.

The winner was Dave Cahill with “The Race is On” closely followed in joint second by “Ace Service” by Billy Kerr and “Clean Bowled” by Gary Gleghorn.

Congratulations to DAVE CAHILL for two terrific winning images to start our new season
